

CONSTITUTION & BYLAWS

PRIDE RIDES WISCONSIN LTD

Article I. Preamble

Recognizing that many LGBTQ+ motorcycle riders don't feel welcome or accepted within traditional riding groups or clubs, **Pride Rides Wisconsin LTD** was founded to give LGBTQ+ bikers and their Allies a safe setting to be free, and ride proud. All people, and all bikes, are welcome to participate in group activities.

Article II. Name

The name of the organization shall be **Pride Rides Wisconsin LTD**. The organization may also represent itself as **Pride Rides**, or **PRW**, in all correspondence, and hereafter within this document.

Article III. Mission Statement

Pride Rides Wisconsin (PRW) is a 501(c)(3) non-profit social and educational organization that provides a safe and inclusive space for LGBTQ+ motorcycle riders and allies to participate in group rides together. Events organized by PRW typically benefit or raise awareness of other charitable causes within the LGBTQ+ community.

Article IV. Membership

PRW is a non-membership corporation. The only membership shall consist of the Officers on the Executive Board. Events are generally open to the public, and do not require membership to attend. The term "Member" hereafter refers to an individual who regularly participates in PRW activities and owns a PRW Back Patch, but does not carry the statutory rights or fiduciary duties of a stakeholder or member in a member-owned corporation.

- a. **Pride Rides is committed to equal opportunity** for all people regardless of race, age, ancestry, religion, national origin, ability, sexual orientation, gender identity, or any other issue typically used to separate and disenfranchise us. All people are welcome, provided they support the LGBTQ-centered and inclusive environment Pride Rides is focused on creating.
- b. **All street-legal vehicles are allowed** – there are no specific requirements to ride with us. The only restrictions shall be based on the safety requirements of each individual ride or event.
- c. **Safety first!** All participants are required to carry their own valid operating licenses, insurance, and satisfy any other legal requirements or restrictions of their own accord. All participants in events or rides do so at solely their own risk and liability.
- d. **Dues are not required**, but fees may be assessed for event registration or other items.
- e. **Member Back Patch** (see *Appendix A*)
While PRW is **not** a motorcycle club (MC), we recognize that back patches inspire a powerful sense of community and pride. Wearing back patches helps to identify our riders to each other, and to the public, and supports our mission of raising awareness for LGBTQ+ motorcycle riders. Back patches are also intrinsic to the LGBTQ+ Leather Culture, which has its roots tied to Motorcycle Culture. We recognize the symbolic power of this aesthetic with our patch as follows:

1. The Back Patch shall be a one piece, circular, 9.5-inch diameter embroidered patch.
2. The design of the Back Patch shall be primarily black and white and will include:
 - White silhouette of motorcycle rider facing left, wearing a helmet, representing no specific gender, ethnicity, age, or characteristic besides riding motorcycles

- Trailing the rider is a rainbow streak in typical Pride Flag style, signifying motion and fading into black at the edge of the patch
 - The text "PRIDE" and "RIDES" form top and bottom rockers on the single piece
 - The text "WISCONSIN" positioned under the rainbow in a smaller type size
3. Only official Back Patches shall be allowed, and must be purchased directly from PRW with approval from the Executive Board.
 4. The patch may be worn centered on the back of any leather or denim vest or jacket, hooded sweatshirt, tee shirt, or any other garment where it will be the primary logo.
- f. Participation** - Members (owners of a Back Patch) are expected to participate in events and meetings regularly (as determined by the Executive Board), as well as show a strong understanding of the organization, by-laws, and history of PRW. While no one is expected to be able to attend every meeting or event, a good effort to participate should be demonstrated to retain active membership status.
- g. Meetings** - Members are welcome to attend organizational meetings. Matters of business or planning may be placed before the Members in attendance for a vote. In this way, the Members may advise and offer their input and feedback for the Officers on the Executive Board.
- h. Elections** - Members will meet to nominate and fill open Officer positions yearly. Officers serve for a two-year term. This meeting will occur after the end of the riding season for the year.
- i. Termination** - All participation as a Member may be waived or surrendered at any time. In the unfortunate event that the actions of a Member negatively represent Pride Rides Wisconsin, the Officers can vote to ban that individual – terminating their voting rights and ability to associate with the organization. That individual will be asked to return their Back Patch to PRW, they will no longer be welcome at PRW events, and their presence will be considered trespassing at the discretion of PRW management.

Article V. The Executive Board (Officers)

- a. Officer positions shall include **President, Vice President, Treasurer, Secretary, Safety Officer, and Webmaster**. These six (6) positions constitute the Executive Board, and are the only members empowered to make business decisions or act on behalf of the organization.
- b. The Officers are elected annually by the Members and hold their positions for **2 years**. Elections take place in February, to prepare for the following year.
- c. Should any position, except the Presidency, become vacant during the year, the Executive Board shall appoint and fill the position until the next election.
- d. Should the office of President become vacant, the Vice President will assume the role of President.
- e. Officers are empowered to appoint Committee Chairs for a specific purpose, such as organizing an event. Committee Chairs are welcome to participate in organizational meetings in the same manner as Members, even if they do not own a Pride Rides Wisconsin Back Patch.
- f. The Executive Board may, at their discretion, determine that a Member does not meet the participation requirements to retain "active" status. In that event, the Member shall not be active and will not be entitled to the rights, privileges, or perks associated with active membership, and may no longer receive meeting minutes or other correspondence. A Member can be reinstated to active status by the Executive Board at any time.

Article VI. Officer's Duties
